### Represent Your City and Invite Your Colleagues from City Hall to the TMCEC Fines and Fees Exposition and Showcase

The TMCEC Fines and Fees Exposition and Showcase is an encore presentation, pairing key topics with qualified educators to help Texas municipal courts and city governments reexamine the way they handle fines and court costs in criminal cases.

Municipal judges and court personnel are encouraged to invite their City Hall colleagues to attend. Part of the C3 (Councils, Courts, and Cities) Initiative, the Exposition and Showcase is a rare opportunity for mayors, city council members, and other city staff to sit side-by-side with judges and court staff to gain insight into important issues in Texas municipal courts.

Space is limited. The registration fee for TMCEC constituents (e.g., a judge, clerk, court administrator, city attorney, or juvenile case manager) is \$150 ([register.tmcec.com](http://register.tmcec.com)). There is a \$100 CLE Reporting Fee for attorneys who want TMCEC to report their CLE credit. Housing is \$50 per constituent per night. Note: **Eligible participants will receive reimbursement for travel (miles and meals) consistent with TMCEC's grant terms.** For information on the costs for non-constituents (mayors, city council members, city officials and municipal staff), please contact TMCEC.
